It's that time of year when temperatures drop, sometimes below  $-30^{\circ}\text{C}$  and we have been advised that garbage trucks do not operate well at those temperatures and not at all beyond  $-30^{\circ}\text{C}$  due to hydraulics.

Should garbage day arrive and you note that the temperature is below  $-30^{\circ}\text{C}$ , be aware that the garbage trucks will not be sent out. If the weather warms up in the day, the trucks **might** be sent out later than usual. People and towns missed will not be picked up until the next regular day. If that happens, please take your garbage back into the garage until the following week's garbage day. Thank you for your understanding and co-operation.

Mayor Sheryl Fossen

&

Councillors Jeanette Herle & Clifford Matlock

Would like to wish the residents of Galahad

A Happy Holiday Season & Merry Christmas!
